Be Still My Love - David Kauffman

<https://youtu.be/n1MM-FuWlIE>

Refrain:

Be still my love, know that I am God

Be still my love, know that I am God

The mountains shake, the waters roar
The valleys tremble with fear
And yet our strength, our refuge sure
Whispers in our ear, saying

Refrain

Though nations fight, though kingdoms fall
Though spiteful hearts will harm
Your mercy holds us, we hear You call
We linger in Your resting arms, as You say

Refrain

Behold the works our Lord has done
To change our hearts of stone
God breaks our arrows, God breaks our bows
God calls us chosen, calls us God's own

Refrain x2

Make Me What You Will - David Kauffman

<https://youtu.be/GcSwYAgfiMo?list=PLw9KcFk9OmsBRmPLdMm-DuGMDND3TvyhP>

Take my heart. Take my heart. Take my heart.
Make me what you will.
And, take my hands. Take my hands. Take my hands.
Make me what you will.

Refrain:

O, take all that I am. And all I will be.

I place myself at your altar.

Mould me into your child, and set my heart free.

I give myself to you.

Take my time. Take my time. Take my time.
Make me what you will.
And, take my life. Take my life. Take my life.
Make me what you will.

Refrain

So, take my life. Take my life. Take my life.
Make me what you will.
Make me what you will.
Make me what you will.

Abide in Me - Chris August

<https://youtu.be/FmdNRD33jEM>

Abide in me, abide in me
Send Your Holy Spirit, come and abide in me
Whatever it takes, create in me the space
Make my heart a place designed for Thee
Lord, come and abide in me

Abide in me, abide in me
Spirit of truth, come and abide in me
You came to compensate, now the price has all been paid
With the life You freely gave at Calvary
Lord, come and abide in me

Refrain:

*Seas could be raging but I'll overcome
And wars could be waging but I'll overcome
No, I won't be shaken if I know You're the one
That's turned my heart into Your home*

Into Your home, Lord, I give up
I'm giving You the space
I'm breaking down the walls
And calling this Your place
I confess I've been living for the world
Take it all away
I just need You to come, Jesus
Come, Jesus

Abide in me, abide in me
Without You I have nothing, come and abide in me
Come and restore what You made me for
You waited at the door now here's the key
Come and abide in me

Refrain

Raise me from my grave, Lord, break the stone
I'm giving You my heart to call Your own
Come and abide in me
