

COVID-19 Safe Hall Hire Plan – Effective from 11TH March 2022

KENMORE-BROOKFIELD ANGLICAN PARISH

With the Queensland Government advising of the discontinuance of the COVID-19 Checklist for public venues such as our Parish Halls, all restrictions concerning Hall Hire obligations relating to COVID have been lifted as follows:

- The number of occupants of the Hall at any time are no longer restricted except by the practicalities of space. The only exception will be in the case of weddings where unvaccinated persons are present, when the occupancy limit will be twenty (20) persons.
- For the time being however event organisers should encourage attendees to maintain Social Distancing, wherever possible.
- Face masks are NOT required to be worn in indoor spaces.
- Persons experiencing COVID-19 like symptoms, cough, elevated temperature or not feeling well should NOT be permitted to attend the activity.
- Hand sanitising dispensers will continue to be available in the Hall for use. Activity organisers should advise the Hall Administrator if sanitising supplies are running low.
- Attendees are NOT required to register their attendance by means of the QR Code at the entrance to the Hall.

Any other queries should be directed to the Hall Coordinator - halls@kenbrookang.org.au
